---

I purchased one a while back, but lost the drivers and couldn't get it working on a new PC.. This page contains drivers for the USB 232 Converter / U232-P9 It's a RS232 Serial to USB converter/adaptor (see pictures below).. MCT is able to leverage its vast engineering and manufacturing capabilities to bring the most cost-effective, cutting-edge technologies to the market.

After finally tracking them down, I decided to help others in a similar predicament and built this page.. Magic Control Technology Corporation (MCT), Headquartered in Taipei, Taiwan, was established in 1997 along with its manufacturing branch, Long Jack.. Our innovative and cost effective solutions promote MCT's continuous growth.
